Col. O. C. Bosbysshell, Supt.,
Mint of the United States,
Philadelphia.

Dear Sir:

In reply to yours of 22nd inst. we are pleased to say that the Hydraulic Press we are building for the Mint is in a very forward state. It has however suffered the delays which seem inseparable from entirely new designs. We hope soon to report its completion, and meanwhile, hope for your kind indulgence.

Yours truly,

Wm. Sellers & Co. Incorporated,

Secretary
